

## **RELATIONAL TEACHING FRAMEWORK**

**Title : Kinship versus Integrity? What is Your Choice?**

**Area : Relational Teaching**

### **Process**

#### **Check in**

In pairs, tell your partner, one interesting thing about your loved one. In Circle, share your partner's Name and one interesting thing about your partner's loved one.

#### **Mixer**

1. Please change seat if you feel that you have integrity.
2. Please change seat if you value relationship.
3. Please change seat if you have empathy.
4. Please change seat if you are honest.
5. Please change seat if you are truthful to others.
6. Please change seat if you if you are a reliable person
7. Please change seat if you have sympathy
8. Please change seat if you respects others.

#### **Activity**

Scenario – 2 pairs join into groups of 4. Discuss (HEINZ'S DILEMMA) and share your views.

Use a yellow card to write down the group's views if the group chooses Integrity.

Use a red card to writ down the group's views if the group chooses Kinship.

#### **Feedback**

Paste the cards on two separate walls.

Share how the group comes to the conclusion- Integrity or Kinship.

#### **Energiser**

No energizer.

*Restorative Practices Singapore*

**Check out**

After hearing all the sharing, please make a personal choice if the final choice deviates from your original choice.
